**REGISTRATION FORM  
NWSLPA FORMER PLAYER MEMBERSHIP**

---

---

*The NWSL Players Association is the voice of women's professional soccer players.  
We honor the vision and progress of those who came before us  
and vow to work to achieve those goals that have not yet been attained.*

The NWSL Players Association is the labor union that represents all women's professional soccer players in the United States. Pursuant to our Constitution & Bylaws, former players, defined as any player who has previously signed a contract in a women's professional soccer league in the United States (i.e. WUSA, WPS, or NWSL), may join the PA as a Former Player Member. Membership entitles former players to receive PA communications, attend PA events, and participate in selected programs. To become a member, former players must complete the registration information below and remain current with the payment of membership dues.
